

## R&D Fund Project

### Environmental Reporting In TNB

TNB Annual Corporate Environment Report

### Project Overview

TNBR has been commissioned by the Vice President of TNB's Corporate Services Division to conduct this study. In addition, TNBR also consulted TNB's Corporate Communications department, since it is the custodian of TNB's annual reporting. The TNB Annual Corporate Environment Report 2005/06 has been prepared using the format given by the Department of Environment (DOE) and the Association of Certified and Chartered Accountants (ACCA), as outlined in the booklet entitled "Environmental Reporting Guidelines for Malaysian Companies."

### Deliverables

- A stand-alone corporate environmental report for the purpose of inclusion in the annual report as a supplement
- Contribution and Compliance Analyses of operation and services.
- A database of operation & services and their impact on the environment

### Benefits

1. Highlighting TNB's environmental initiatives and achievement
2. TNB will also gain public recognition for corporate accountability and responsibility. Public disclosure of targets will also act as internal driver and continually improve our organization performance as a whole.
